

# TECHNICAL DATA SHEET GREEN KLEEN

## DESCRIPTION

Gulf Western Green Kleen is a highly effective hand cleaner specially formulated with fine granulated beads, refined cleaning agents and anhydrous lanolin. Green Kleen offers superior hand cleaning while being gentle on skin tissue, even where frequent usage is required. Green Kleen is suitable for use in the heaviest of applications including diesel and mining workshops where the removal of ingrained soot and carbon staining is an issue, without de-fatting skin surfaces.

## STORAGE

All packages should be stored under cover to avoid the possible ingress of water and the obliteration of drum markings. Products should not be stored above 60°C.

## STORAGE INSTRUCTIONS & HEALTH, SAFETY AND ENVIRONMENT INFORMATION

All packages should be stored under cover to avoid the possible ingress of water and the obliteration of drum markings. Products should not be stored above 60°C.
